

DISCOVER JUSTSERVE FOR YOUR ORGANIZATION

What is JustServe?

JustServe is a movement that helps organizations find the volunteers they need to accomplish their work, ranging from recurring projects to disaster relief efforts. At JustServe, we believe in the power of volunteerism to build unity in the community. Join a community of volunteers who are already changing the world.

How Does It Work?

JustServe is a movement enabled by a free web and mobile platform that helps community organizations find volunteers, saving the organization time and resources.

ORGANIZATIONS

Organizations doing good in their communities list volunteer needs on JustServe.org and connect with people willing to help.

SPECIALISTS

Our army of volunteer specialists help organizations in their communities post projects on JustServe to find willing volunteers.

VOLUNTEERS

Volunteers can quickly find and get involved with projects in their area that meet their interests and fit into their schedules.
